## HEARTS FOR HOMELESS CHALLENGE

Hears for Homeless Challenge

**Our Hearts for Homeless Challenge has been rescheduled to:**

**April 7 – 8, 2023**

## TRINITY PRAYER CHAIN

Prayer has healing powers. We can pray anytime, anyplace. We can pray for those we know and those we don't know. Prayer is one means of practicing Jesus' teaching to "love your neighbor."

As part of our nurture (of current church members) and outreach to our neighbors, we have reorganized our Prayer Chain group. Volunteers will be called upon to pray for those in crisis, sudden illness or in times of grief.

When you are called with a prayer concern, you call the next person(s) in the chain. It is not too late to join the Prayer Chain. If you would like to volunteer, please contact Linda Mundy Boone at 814-280-3852.

Thank you to everyone who participated in our annual Missions yard sale. Whether you donated goods, made purchases or helped to set up and take down at the event, we are grateful for your help.

And a special thank you goes to Beverly Gilpin who organized and was our leader for this event. We raised more than \$1,200 which will be used for outreach.

## VOLUNTEERS NEEDED
