The Effects of Malnutrition

- ◆ Prevents children from growing to their full genetic potential
- ◆ Reduces resistance to disease and a longer recovery time following an illness
- ◆ Impairs mental capacity by affecting cognitive ability, delaying the development of motor skills, increased difficulty for children to be alert and interactive
- ◆ Reduces physical capacity, agility, and job ability for adults in work force

The Grant Application is available by September 2022. It can be found on the Conference website in the Ministry Resource Packet at www.susumc.org. Encourage your local food pantry to apply.

**World Hunger Sunday
Harvest Home for World Hunger Offering**

**Did you know...1 in 6 Americans
are living with inadequate food?**

The crisis of inadequate food extends into many communities worldwide. Our Christian compassion calls us to do all we can to help alleviate hunger in our local community, in our nation and around the world.

By participating in the Harvest Home for World Hunger Offering you can take one action to help address the urgent need of the hungry in our midst.

The offering goal is \$1 per member.

Our prayerful action and monetary gifts bring **hope** to those struggling to put food on their table.

Jesus encouraged us to feed the hungry

For I was hungry and you gave me something to eat ... Lord, when did we see you hungry and feed you, or thirsty and give you something to drink.

Jesus replied: "I tell you the truth for whatever you did to the least of these brothers of mine, you did it for me.

Matthew 25:3 -37, 40
