## PRAYER PARTNER MEET AND GREET

JANUARY 11 AT THE GATHERING 6:00 PM

Come meet your 2022 prayer partner!

## It's a new year

with a new focus. Our focus and word for 2022 was GLORIFY and we tried whenever possible to glorify God in all we did.

Our focus for 2023 is

# RECLAIM, REBUILD, RENEW.

This year, let's reclaim, rebuild and renew relationships past and present show the love of Jesus Christ to our world.

## THANKS TO YOU!

It would be impossible for me to thank all of the people who helped with Trinity Bellefonte's ministries last year. But I want to try. Thank you to everyone who helped prepare food for The Gathering. Thank you to all who donated items to our Food Bank including Thanksgiving meals items and Christmas toys. Thank you to those faithful and cheerful contributors to our advertising, coffee/snack fellowship, communion elements and much more. Thank you for your time and service in delivering meals, visiting those at home, providing Home Touch communion, providing transportation to those who need, praying for the sick, extending a hand of friendship to the lonely, sending "keep in touch" cards, leading and attending small groups and the list could go on and on.

I am humbled and grateful beyond measure to serve in such a kind, compassionate and loving church and look forward to all we can accomplish in 2023.

Blessings, Linda

## VOLUNTEERS NEEDED

In an effort to improve our outreach ministries, we are looking for volunteers to form a **COMMUNICATIONS TEAM**. This team would be responsible for print and broadcast advertising, distribution of posters and flyers announcing special events and old/new ministries. It would be great to have some computer experience to create some of the printed materials, but our local copy shop can help with that. Please let Pastor Doug know if you can help us.

## TRINITY TRANSPORTATION BUDDIES

We are looking for volunteers who could provide transportation to church and community members a few times a month. Many folks who do not drive have the need to get to the grocery store, pharmacy, laundry mat, etc. and really need help with this. If you can help, contact Linda Mundy Boone at 814-280-3852 and get a "buddy."

## TRINITY MISSION CENTRAL HUB
